<p>REFERENCE: [REDACTED] Security Alarm System, [REDACTED] 25X1A6d</p> <p>25X1A5a1 [REDACTED]</p> <ol style="list-style-type: none"> 1. Approximately 95% of the entire alarm system has been installed and is operating at an acceptable level of sensitivity and stability. The remaining 5% consisting of [REDACTED] (installed in [REDACTED]) are not acceptable due to low sensitivity and poor stability. 2. The contractor plans to correct this installation with three additional units this week, so that a final inspection and acceptance may be scheduled by HQS Physical Security Branch and [REDACTED] Security and Post Engineer representatives. Every effort is being made to complete this contract work; payment in the amount of \$68,970.00 is being withheld pending acceptance of the entire alarm system. <div style="text-align: right; margin-top: 20px;"> </div>
